Troop 194 formed in 1997, chartered by American Legion Post #194. The Troop moved to Mason United Methodist Church in 2006.

**We are Scout-led.** Our Scouts choose their leaders, set their goals, enforce discipline, learn leadership, plan their activities, engage in fundraising, lead their adventures, strive for the next rank, cook their meals and more. The Scouts even chose the color green for our bus!

Our Scouts participate in an **exciting Scouting program**. The Scouts conduct weekly meetings, camp at least once a month, attend summer advancement camp, earn badges at the Merit Badge Challenge and have the opportunity to participate in an extended campout.

We hope you find that Troop 194 is the best place to continue the Scouting journey. Please feel free to contact any adult with questions or attend one of our meetings. We welcome guests and look forward to meeting you!
